Dear Joe,

Thank you very much for your generous donation of the items listed on the attached in-kind donation form.

Jennie Bucove
Executive Director

Your gift helps GallopNYC to provide critically important services to New Yorkers with disabilities. Because of you, by learning to ride horses, riders will increase their life and social skills while building their physical strength and improving their emotional well-being. Thank you so much for caring for these children and adults who need your support now more than ever.

You are changing lives every single day.

From all the students, horses, volunteers, and staff at
GallopNYC - THANK YOU!
