Dear Ms. Costanzo,

On behalf of the individuals and staff at A Very Special Place, Inc., thank you for Faztec Industries' contribution by Credit Card of \$1,250.00 dated October 28, 2024, for your Full-Page Digital Ad and Roulette Sponsorship for our 50th Anniversary Celebration. Your donation is fully tax deductible. We are grateful for your continued support and we thank you for recognizing the importance of our mission to empower people with intellectual and developmental disabilities to lead fuller lives.

A Very Special Place, Inc. was founded in 1974 to provide programs and services that assist people with intellectual and developmental disabilities to fulfill their maximum potential and to become fully included in the community. Today over 1,600 Staten Islanders with intellectual and developmental disabilities and their families utilize a comprehensive array of offerings including employment training and recreational services.

Every contribution received by AVSP makes a difference in the lives of the individuals who use our services. Financial support from our friends in the community helps us to achieve the work that we do – so that people of all ages with intellectual and developmental disabilities are assisted in meeting their immediate needs and in planning for the future.

Thank you again for your continued support of our programs.

Yours truly,

Jacqueline Scarcella
